

Home Services Case Study

This home services company came to us to increase organic traffic and leads. By optimizing on-page elements, creating optimized localized content, and increasing their local presence in their service areas we increased organic conversions by 26% in a 6 month period. We saw very significant increases in searches (+76%) and views (+127%) generated from their Google My Business listing. We also saw steady keyword increases over the first 6 months, jumping up 90+ spots for high search volume keywords.
